WHITEFIELD AMBULANCE SERVICE

Your Emergency Medical Service Telephone Number is 837-9901.

1992 has again been a very busy year for the Whitefield Ambulance Service. Training has been extensive with seven members going through the Emergency Medical Technician Recertification course. Also four of our members are now certified in the use of the Esophageal Obturator Airway (EOA). This brings nine members of the Service to the EMT-Defib-EOA certification level.

We strive to provide the best possible service to the community of Whitefield. The time and effort involved is quite demanding. There are three new members this year: Mike Stevens, Ed Bayles, and Tom Ladd.

We are looking forward to our move up to the Fire Station and would like to thank the Whitefield Fire Department and Whitefield Police Department--their assistance has made our job easier and enables us to have smooth, professional emergency scenes. A special thank you to Tiny Miller for all he does for us. Also, a thank you to the many people who have donated money and time which has enabled us to purchase needed equipment and supplies. This support is greatly appreciated.

The Squad responded to 260 calls in 1992. A summary of the patient treatment is listed below:

The Whitefield Fire Department answered 69 calls in 1992, 3 structure fires, 9 chimney fires, 4 car fires, 2 grass fires, 1 forest fire, 2 landfill fires, 1 debris fire, 1 burned food, 4 trees on power lines, 4 smoke checks, 1 propane smell, 4 jaws of life calls, 1 water rescue, 10 mutual aid calls, 12 false alarms.

All personnel changes in 1992 were the result of retirements. The department lost three members who had served many long and dedicated years. We wish to thank retired Chief Winnie Placey, Robert Stiles, and Leo Couturier for their invaluable service to the fire department and the Town of Whitefield.

Please check your homes and businesses for possible fire hazards. Make sure your home has at least one smoke alarm and keep its batteries fresh. Every family should have an escape plan in case of fire that is reviewed regularly, especially with your children. Please remember the change in the fire department's emergency number. All fires should be reported by using the town emergency number, 837-9901.

We wish to thank the Life Squad, Police Department, and the members of the Northern New Hampshire Fire Mutual Aid Pac for their assistance over the past year.

Respectfully submitted,

Jonathan Miller, Chief

WHITEFIELD PLANNING BOARD

1992 was the year Whitefield finally passed its flexible zoning plan - the "Comprehensive Development Guide". After working with this new plan for nearly a year, we can say that it is working well and is doing exactly what it was intended to do. The Town now has more control over subdivision approvals, and for the first time has some say in how commercial and industrial development will be implemented. Procedures for construction of single family homes have been kept very simple. They are designed to insure that all water and sewer hookups are done properly, and that driveways provide safe access to the property.

Development pressure was very light in 1992, with relatively few subdivisions and no major projects presented. We dealt with several "change of use" requests, typically starting a business from a home. The only request that proved controversial was an application to convert a residence to a "bed and breakfast" on Mountain View Road. This was the board's first "trial by fire", and it was an interesting lesson for all of us. Ultimately, the board felt that the applicant presented a final plan which adequately met the requirements of the "Comprehensive Development Guide", and an approval was granted.

Because we now have a "zoning plan", the board also was able to have several proposed subdivisions redone to accommodate areas of extreme slope and/or wetlands. This is something we have never been able to do before, and it allows us to disapprove lots which would not be practical to build on. We were also able to respond to neighbors' complaints and stop an unapproved commercial activity in town.

1992 also saw the board get back to a full 7 person roster. The new members have been great and have been a very welcome and long overdue addition. I would like to personally thank the Board of Selectmen for their support and cooperation, Ed Betz for his time and expertise, Steve Marro - the Selectman on the Planning Board - for his participation and enthusiasm, and Judy Ramsdell, our secretary, for staying on top of the paper pile.

Finally, thanks to the voters of Whitefield for approving the "Comprehensive Development Guide" in 1992 and giving the town the legal right to control its own future.

WHITEFIELD POLICE DEPARTMENT

With the passing of 1992, members of the Whitefield Police Department concluded one of their most challenging and productive years.

To be at all successful in providing police service for a small town, a police department can no longer function in a reactive mode. With the ever-increasing demand for service and enforcement, to be effective a department must adopt a pro-active style of policing. Toward this end, the focus of the Police Department's efforts for 1992 have been directed towards community based programs.

Through the acquisition of a State Grant, and many generous private donations, the D.A.R.E. (Drug Abuse Resistance Education) Program was implemented in the elementary school. This nationally accepted program has received tremendous initial support and promises to grow in coming years.

The department also expanded its presence at the high school level by becoming involved in the Challenge Program. This encompasses the department working with such groups as the Advisory Council, Student Assistance Program, and SADD groups. In addition, the department has also been called upon to present numerous programs dealing with drug education for various classes.

In addition to our involvement with the youth of our community, in December of 1992, a program was introduced dealing with crimes against the elderly and will be implemented in January of 1993 in Highland House and the Senior Citizens Center. Hopefully this program will fill a need and provide specialized service to a segment of the community often overlooked.

To foster the spirit of community involvement and service, the department also initiated a community recognition program in which members of our town performing notable achievements will be recognized by their Police Department and will be presented with an award for their outstanding service to the community.

All of these programs were implemented through the efforts of various members of your Police Department with no expenditure of tax dollars while remaining within budgetary limits.

DEPARTMENTAL STATISTICAL COMPARISONS - 1991/1992

| | <u>1991</u> | <u>1992</u> |
|---------------------------|-------------|-------------|
| Arrests | 81 | 132 |
| Summons | 518 | 780 |
| Warnings | 375 | 275 |
| Checks | 562 | 197 |
| Accidents | 81 | 70 |
| Criminal | 203 | 238 |
| Domestic | 95 | 75 |
| General Complaints | 1056 | 1042 |
| Motor Vehicle Complaints | 924 | 987 |
| General Assists | 898 | 584 |
| Emergency Medical Assists | 98 | 116 |
| Fire Assists | 22 | 24 |
| Police Assists | 336 | 166 |

1992 was an exceptionally busy year with the department responding to 245 criminal complaints. Of these 245 complaints requiring investigation, 220 were closed by either arrest or court prosecution. This represents a case closure rate of approximately 90%, an unheard of figure in law enforcement which demonstrates the effectiveness of your police department. The partial breakdown of criminal complaints in 1992 follows:

| | |
|-------------------------|----|
| Theft/Burglary | 62 |
| Sexual Assaults/Abuse | 3 |
| Assaults | 29 |
| Bad Checks | 5 |
| Threatening/Harassment | 9 |
| Drug/Alcohol Related | 30 |
| Mischief | 24 |
| Trespass | 18 |
| Use/Possession Firearms | 2 |
| Untimely Deaths | 2 |

TOTAL CALLS LOGGED 1991 = 3934 1992 = 3569

As in past years my primary concern for both our townspeople and members of my department remains the escalating number of crimes of violence. Incidents of arrest increased approximately 55% over 1991 and the crimes of assault, sexual and simple, and crimes of threat or harassment increased approximately 300%, a major concern that must be dealt with.

In today's world the job of policing can no longer be left to police departments alone for then it becomes an impossible task. Today as never before it is the responsibility and the duty of each and every citizen to become involved in their community. People must once again begin to feel responsible for their neighbor and to ask themselves, "What can I do as an individual to have an impact on the crime problem?" Only when this feeling truly begins to manifest itself within our Town will we see a reduction in the ever-increasing problem of criminal behavior.

Respectfully submitted.

In 1992, the library went "on-line" with the addition of a computer system! We were able to purchase, through donations and gifts, a used IBM-clone personal computer, modem, and printer. The modem enables us to contact the State Library, where the holdings of over 200 libraries throughout the state are catalogued on line. The waiting period for inter-library loans has been shortened quite a bit, and books are delivered weekly, by van, from library to library.

The theme for the statewide annual Summer Reading Program was "Discover--Read '92". A grant total of 713 books were read by the 51 children who participated. Once again, gift certificates to the Village Book Store were awarded as prizes to the 35 "winners".

A very, very successful and interesting program on the Abenaki Indian language and culture was held during the summer. Alice Daley Noyes, author of Metallak, his legacy, spoke of the research she has done on the life of Metallak, a native New Hampshire Indian. Fifty-eight people attended the Town Hall program.

The outside of the building was greatly improved by the town crew's installation of a new brick path and a widened driveway and parking area.

Community groups, including The Coos Quilters, North Country League of Women Voters, Coos County Adult Tutorial, and Israel River Arts, continue to use the downstairs meeting room on a regular basis. Every Thursday afternoon is reserved for Adult Tutorial sessions for G.E.D. tutoring and help in reading and math. We are doing what we can to help further adult literacy in the North Country.

Donors such as the Coos Quilters, White Mt. Garden Club, and individuals who regularly donate books and magazines are greatly appreciated. These donations help to stretch our book budget.

The Library Board of Trustees meets regularly at the Library on the first Thursday of each month at 7:30 p.m. Assistant Librarian Pauline Golden and substitute Ruth Ann Morehouse have done a wonderful job in helping to run the library smoothly and to provide the most service possible.

WHITEFIELD PUBLIC WORKS DEPARTMENT

Last year was a busy year for the Town's Public Works Department. With the assistance of all the Town's earthwork contractors several significant projects were completed. The Hazen Road and a portion of the Airport Road were reconstructed using gravel and recycled pavement. This year we are looking forward to placing the bituminous wearing surface over the roadway base which should make the Industrial Park/Airport more attractive and improve traffic safety to the landfill. Stormwater drainage and new catchbasins were placed on Myrtle, Greenwood, and Brown Streets. The Town's municipal sewer system was extended to now include the Fire Station and a private residence thereby eliminating open discharges of sewerage. Approximately four miles of Town roads, including the Pine Street Cemetery, South Whitefield, East Whitefield, Colby and others, were resurfaced using a chip stone bituminous seal. Also completed last year was the reconstruction and paving of the hill section of Gould Road, and replacement of 300 feet of clay tile sewer on Pleasant Street.

In December the Town completed an inventory and condition survey of the Town's roads. The information was used to develop a capital improvement plan which prioritized road improvement based upon road conditions, roughness and traffic volume. The plan will be submitted to the Planning Board and Selectmen for approval in 1993.

In August, the Bray Hill covered reservoir was completed bringing the Town in compliance with the Safe Drinking Water Act. Also completed in the fall of 1992 was a telephone telemetry system which allowed for automation of most of the Town's wells. A water ordinance and water construction standards were adopted by the Town; as-built drawings of the water system were developed; and most of the remaining galvanized and lead water services were replaced. Approximately 500 water meters have been installed and will be read starting in 1993. Winnie Placey has retired after more than 20 years of service to the Town as Water Superintendent.

Foundation drains and waterproofing were placed behind the library and Town Hall and the parking area and library access road were upgraded. Six permanent monitoring wells were installed at the landfill to evaluate groundwater contamination in preparation for closing the landfill in October, 1993. The Town participated in a household hazardous waste collection day. Plastic milk containers and soda bottles are now being recycled in a joint effort with other area Towns. We continue to voluntarily separate out and recycle aluminium cans, metals, newspaper print, brush, tires, and compost material. Glass is now being used as a cover material.

In 1992 Ray Belanger was appointed Road Agent; Becky Pederson, landfill attendant; and Phil Morris, Water Department. The Town is fortunate to have a dedicated and motivated Public Works crew whose efforts often go unnoticed.

WHITEFIELD RECREATION COMMITTEE

Once again we would like to thank the Whitefield voters for providing the funds to operate the summer program and the winter ski program.

This year we had an excellent turnout for our summer program and were fortunate to acquire the services of Andrew Pyszka as our Recreation Director. We found him to be very conscientious and effective in performing his duties. Thanks also go to his staff Alec Hoverman, Kurt Severance, Tim Mason, and David Rode. Jacki Hoverman did her usual excellent job in conducting the swim lessons at the Mountain View Pool. She was ably assisted by Jeff Lunn and Kurt Severance. Seventy-six children signed up for this program and seventy-two completed it.

A special "thank you" to Jay Hartnett who ran our ski program for many years but stepped down after the 1992 season. This job has now passed to Rick Vashaw.

COMMUNITY ACTION PROGRAM

We are requesting the sum of \$1,350.00 from the Town of Whitefield to help with the cost of our operating expenses for 1993. The appropriation of \$1,350.00 is Whitefield's share to ensure the year-round operation of the CAP Outreach Program which helps to keep town welfare costs down by utilizing varied funding sources administered through CAP.

On behalf of Tri-County Community Action, I would like to express my personal appreciation for your cooperation in working together to help the low-income, elderly, and handicapped residents in Whitefield.

Following are statistics of financial and other aid given to members of your community:

| | | |

FOREST FIRE WARDEN STATE FOREST RANGER

1992 was below average for wildfires reported in our State. Our largest fire was in May in Rumney where a suspicious origin fire burned approximately 150 acres with a total cost of approximately \$30,000. The N.H. Division of Forests and Lands assisted many other communities in wildland fire suppression as well.

Our fire lookout towers reported 289 fires, burning a total of 136 acres. Our major causes of fires were fires kindled without a permit, unknown causes and children.

Please help your town and state forest fire official with fire prevention. New Hampshire State Law (RSA 224:27) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done." Violation of this statute is a misdemeanor, punishable by a fine of up to \$1,000 and/or a year in jail and you are liable for all fire suppression costs.

Local fire departments are responsible for suppressing fires. The small average fire size of .47 acre/fire is a tribute to early detection by the public or our fire tower system and the quick response of our trained local fire departments. Please help your Warden and fire department by requesting and obtaining a fire permit before kindling an open fire.

The N.H. Division of Forests and Lands assisted 28 towns with a total of \$20,000 in 50/50 cost share grants for fire fighter safety items and wildland suppression equipment in 1992.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or Division of Forests and Lands at 271-2217.

MT. WASHINGTON REGIONAL AIRPORT

The Mt. Washington Regional Airport has made considerable progress this year. A grant from the State of New Hampshire has allowed for the total rebuilding of the stub taxiway including widening and increasing its weight bearing capacity. The new taxiway allows larger aircraft to transition from the existing runway to the parking ramp. The construction also included improvement of the water drainage in the area.

The Federal Weather Bureau installed a fully automatic weather station at our airport. This station in time will enable pilots to land not only at night but in bad weather with complete weather updates.

Airport land has been leased for four new hangars, and we have the possibility of leasing land for three to five additional hangars this next year.

The Airport now has a Jet-A-Fuel tank truck. This truck was paid for with funds from the State and the Airport.

We have made much needed temporary repairs to the runway, but it remains in need of major repairs. The present 3500 ft. runway needs to be lengthened so the airport may accomodate today's larger and faster aircraft. For this type of project, we need matching funds which we have been unable to acquire to date.

This Airport belongs to us all and will play an increasingly important role in the development of this area. The efficiency of all transportation influences industry to be drawn into our area for long range development.

The Mount Washington Regional Airport represents a very large investment and deserves the best care and protection possible.

NORTH COUNTRY COUNCIL ANNUAL REPORT

North Country Council is the Regional Planning Commission and economic development district for 51 towns in northern New Hampshire. It is supported by local community and county dues which are used to match state and federal funding sources.

Local planning assistance provided to member towns this past year included: municipal planning, transportation planning, business and industrial planning/development, landscape architecture, solid waste planning, resource management, and GIS mapping. The Council provided professional assistance to Planning Boards, Boards of Selectmen, Zoning Boards of Adjustment, Conservation Commissions, Solid Waste Districts, Local Development Corporations, Non-Profit Community Organizations, Chambers of Commerce, Educational Institutions and Social Service Organizations and Agencies in all our member towns.

During 1992 North Country Council also continued its commitment to regional planning as follows: completed the North Country's first ISTEA Transportation Plan and Transportation Improvement Program; completed a new regional economic development strategy; developed economic strategic plans with local development groups; expanded the Working Capital micro-lending program throughout the region; provided technical assistance to communities on major infrastructure projects; completed a regional wood products marketing plan; participated in the development of a statewide telecommunications network; conducted an impact assessment of new banking regulations on the businesses in the North Country; provided solid waste and recycling technical assistance to towns, schools, and solid waste districts; and continued our public education initiative on forest lands issues in Coos County. All the above major activities occurred at the same time as the Council provided daily planning and development technical assistance to our members.

In the ensuing year the Council will continue its commitment to local membership services and regional problem resolution.

Persons from member towns interested in becoming involved with the Council are urged to contact their selectmen for appointments as Council representatives or committee members.

Sincerely,

Preston S. Gilbert
Executive Director

NORTH COUNTRY ELDERLY PROGRAMS

North Country Senior Meals, sponsored by Tri-County Community Action, Inc., is requesting level funding in the amount of \$3,000 from the Town of Whitefield.

The Senior Meals program serves daily congregate meals and also provides home-delivered meals to those frail elderly unable to get to the meal site.

The Senior Meals/Wheels program will be moving from Main Street to Jefferson Road in the early part of 1993, where we look forward to becoming more of a Senior Center.

Our need for continued funding is basically the same. North Country Senior Meals anticipates paying rent to our sponsor agency for no shorter period of time than three (3) years. This is due to accepting additional funding necessary to renovate the building, bringing it up to the safety code.

Our programs are vital to the community and plans for the future will make us more valuable. We appreciate your support.

WEEKS HOME HEALTH SERVICES, INC.

Weeks Home Health Services is a not-for-profit subsidiary of Weeks Memorial Hospital serving seven towns: Dalton, Groveton, Jefferson, Lancaster, Whitefield, Randolph, and Stark.

The services provided are Skilled Nursing, Home Health Aides, Homemaking, Physical and Occupational Therapy, and Speech Pathology within a person's home.

Other services provided are community screening and influenza vaccine clinics.

Our commitment to quality is evidenced in obtaining Joint Commission on Accreditation of Healthcare Organization's accreditation and continued Medicare and State recertification.

No one is denied service because of their inability to pay, and frequency of visits depend on need.

Services provided to the Town of Whitefield for the Fiscal Year October 1, 1991 to September 30, 1992 are as follows:

| VISITS | 1992 | 1991 |
|----------------------------|------|------|
| Skilled Nursing | 859 | 721 |
| Physical Therapy | 107 | 208 |
| Speech Therapy | 20 | 22 |
| Occupational Therapy | 0 | 0 |
| Home Health Aide | 1100 | 1012 |
| Homemaker (1/2 hour units) | 939 | 628 |

In past years we have based our request on the population figures obtained from the State Planning Office. Weeks Home Health has determined that again this year the agency will not request an increase in the amount of town support.

Requested support \$6,866.93

Thank you for your continued support which enables Weeks Home Health to continue providing community health care.

Cordially,

Roxanna White, R.N.
Executive Director

WHITE MOUNTAIN MENTAL HEALTH

White Mountain Mental Health and Developmental Services provides counseling and day services to twenty-two communities in northern Grafton and southern Coos Counties. Services are available at two full-time sites in Littleton and Woodsville. We also operate two part-time offices in Lincoln and Lancaster. Outreach or home based services are available on a limited basis. The addresses and telephone numbers of our sites are as follows:

Full-Time: Littleton - 16 Maple Street - 444-5358
Woodsville - Jct. Swiftwater Road & Old Rt. 10
747-8128
Part-Time Lincoln - Linwood Medical Center - 745-8136
Lancaster - Weeks Memorial Hospital - 788-4911

Mental Health Services include: outpatient counseling to children, adults, couples and groups; drug and alcohol counseling; family therapy; psychological testing and psychiatric services. Services are available Monday through Friday. Emergency Services are available 24 hours a day, 7 days a week. Psychiatric hospitalization by referral. Consultation and Employee Assistance Programs are also available. Full day program and outreach are available. Vocational training and job placement are also offered.

We average 500 open cases and the current profile of our cases is 45% male, 55% female, 20% under age 18, 72% between ages 18 and 59, 8% age 60 and over. We employ 15 clinical staff members including: M.D., Ph.D., M.S.W., and Certified Alcohol and Drug Abuse Counselors.

DEVELOPMENTAL SERVICES:

--Early Intervention - Home-based service for 0-3 year old children who are delayed in their development. Services include: screening, assessment, treatment, and referral. We continue to provide clinics throughout our region to increase our ability to serve more children. Annually, we average service to sixty families.

--Habilitation Services - Provides instruction to our most severely impaired adult population. The program works in conjunction with their residential programming as well as providing training and instruction in self care skills, pre-vocational skills, paid work, and other therapeutic services such as speech therapy and physical therapy. This program has been primarily used by former Laconia State School residents; however, we have had community clients who have been referred by the local school system. Last year we served twenty-two (22) clients in two locations (Littleton and Woodsville).

Town of Whitefield

--Supported Employment - Provides training, instruction, and work adjustment for mentally ill and mentally retarded individuals. Paid work opportunities for the individuals takes place in the community. Last year, we operated six job sites directly in the community. We have also completed over twenty individual job placements.

We are appreciative of your past support of our programs and look forward to continuing our history and responsive community services.

WHITEFIELD VILLAGE CENTER SENIOR CITIZENS CLUB, INC.

37 Jefferson Road, Whitefield, NH

The Whitefield Senior Center, Inc. is a unique, non-profit charitable organization. It is not just a club. It is a Center for the whole community. We have no paid staff. We receive no federal help. It is managed solely by dedicated volunteers, ages 60 to 92. They donate their time to manage the Thrift Shop, Gift Shop, Children's Shop, White Elephant Shop, and a barn full of assorted items from books to furniture. Purpose and meaning are added to the daily lives of twenty Seniors volunteering their time.

Generous donations of clothes, household items and money from all of you kind people, is what help us to help others. We give free to those people who cannot pay as that is our top priority. All summer our clothes were a dollar a bag. In the fall, we offered a garbage bag full for a dollar. We gave away free coats to help people stay warm through our mean winter.

The Center has become a haven for lonely, hurting folk, just needing someone to kindly and cheerfully listen. Others love to browse through this old twenty-one room house. Refreshments are always available free of charge. In June the public was invited to a pot-luck party on the veranda, and over thirty people enjoyed a lovely afternoon. In October, the public was again invited to a Halloween Pot-Luck Party, and the house became alive with fun. No admission was charged, just a request for food for the table.

Thirty-five fruit baskets were made and delivered this past Christmas. Fruit was also given to all the Morrison Nursing Home residents. As an on-going project, artistic placemats continue to be made for them. Walkers, a wheelchair, crutches, canes, and a TV have been lent to those who need them at no charge.

The Senior Center and Club are very grateful and appreciative to all who donated what they could to us so that we could help others. Many thanks to our wonderful Seniors for volunteering so many hours to keep us open. Many thanks to the businesses and organizations for your generous donations of money. A big thank-you to the young people who moved heavy things for us.

Town of Whitefield

We are deeply grateful to the Whitefield voters who have the last word in granting financial support to the Senior Center to help us operate through 1992. We hope that you will consider us worthy enough to support us once again.

Respectfully submitted,

Tony Pinard, President

INDEPENDENT AUDITOR'S REPORT

May 15, 1992

Board of Selectmen
Town of Whitefield
Whitefield, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Whitefield, New Hampshire, as of December 31, 1991 and for the year then ended. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards, Governmental Auditing Standards, issued by the Comptroller General of the United States and the provisions of Office of Management and Budget Circular A-128, "Audits of State and Local Governments". Those standards and OMB Circular A-128 require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The Town has not maintained a complete record of its Water or Sewer Fund fixed assets as required by generally accepted accounting principles. Accordingly, statements of Water and Sewer Fund fixed assets are not included in the financial statements. The amounts that should be recorded as Water and Sewer Fund fixed assets are not known.

TWO
CAPITAL
PLAZA
SUITE 3-1

As explained in Note 9, the Water and Sewer Funds are reported as Special Revenue Funds, whereas generally accepted accounting principles require that they be reported as Enterprise Funds.

CONCORD

FAX: (603) 224-2613
(603) 224-2000

The general purpose financial statements referred to above do not include the general fixed assets account group, which should be included in order to conform with generally accepted accounting principles. The amounts that should be recorded as general fixed assets are not known.

PORTRUSH

The general purpose financial statements referred to above do not include the Airport Fund, which should be included in order to conform with generally accepted accounting principles. If the omitted fund had been included, the (Special Revenue Fund Type) assets, liabilities, revenues and expenditures, based on unaudited information, would have increased by \$9,430, \$12,537, \$48,387 and \$33,337 respectively.

FAX: (603) 436-3180
(603) 436-0906

In our opinion, except for the effect on the financial statements of the omissions described in the third, fifth and sixth paragraphs and except as noted in the fourth paragraph the general purpose financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Town of Whitefield, New Hampshire, as of December 31, 1991 and the results of its operations and the cash flows of its proprietary and similar trust fund types for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The accompanying combining and individual fund financial statements, and schedule of Federal Financial Assistance listed as supporting schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Whitefield, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.
